Certificate No. CT:TTB8-2CZA

Application Number: 0267-25

CERTIFICATE TO FOREIGN GOVERNMENT

In order to allow the importation of United States products into foreign countries, the U.S. Food and Drug Administration (FDA) certifies the following information concerning the product(s) to be exported listed below:

Lions Eye Bank of West Central Ohio, located at 3309 Office Park Dr, Dayton, OH 45439, USA, manufactured and distributed the following Human Cells, Tissues, and Cellular and Tissue-Based Products (HCT/Ps):

Product Name

Human Cornea and Sclera

The product(s) described above and the establishment(s) where it is produced are subject to FDA jurisdiction and regulated solely under section 361 of the Public Health Service Act (PHS Act) and regulations promulgated thereunder. The company listed above has certified to the FDA that the HCT/P meets the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1271, Human Cells, Tissues, and Cellular and Tissue-Based Products.

It is certified that the above listed HCT/P may be marketed in, and legally exported from, the United States of America at this time. The company listed above is subjected to periodic inspections. The last inspection showed that the plant(s) at that time, appeared to be in compliance with the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1271.

Signature _____

To Whom It May Concern

Enclosed are two (2) export certificates as requested in your communication of December 10, 2024, that was received in our office on December 10, 2024.

These certificate(s) attest to the status of your product under section 361 of the Public Health Service Act (PHS Act). You are responsible for assuring that your product is in compliance with all applicable US laws and regulations, and the requirements of the importing countries.

If we can be of further assistance, please let us know.

Sincerely yours,

Maria C. H. Anderson
